

Burbridge Road 4km Walk

West Beach Apex Club – opp Davis Street

Course measurement details

Burbridge Road 4km walk

		Refer to marked plan of course showing reference points.		
		Start on path just west of the western end of the carpark. This is also the turn round point for each lap. The course follows the path going north until it joins the main path along the Torrens. It then does a loop travelling on both sides of the Torrens crossing the river at Seaview Road bridge and the Tapley's Hill Road bridge and returns to the start point to finish or to turn around for the next lap.
