

## COMPETING WITH ASA

Our membership of ASA is the same as last year. The table below is a summary of the most important parts, but for further options you should go to the ASA web site.

**SAMA has paid for basic membership for all our members.** You may upgrade to another membership type by paying the additional amount above the basic membership fee.

If you have never activated your ASA membership before you would be eligible to register as a First Year Membership.

If you wish to upgrade to Bronze membership it will cost an extra \$70. This is worth it if you intend to compete 5 or more times.

If you wish to upgrade to Silver membership it will cost an extra \$175. This is worth it if you intend to compete 12 or more times.
