

Flight Centre Sports and Events packages for AMA

The preliminary Flight Centre Sports and Events accommodation packages for Oceania in Dunedin and Worlds in Malaga are now available. Please note additional Malaga packages for longer stays, apartments, tours and so forth are still being negotiated as many prices in Spain have not been finalised by the tourism operators for that time of year. Nationals packages to come.

This is the AMA landing page on the Flight Centre website:

<http://fcsportsandevents.com.au/active/run/australian-masters-athletics/>. From here people can click on the relevant event.

Check this Flight Centre website regularly for updates and flight specials!
